ATTENTION ALL UNIT OWNERS AND RENTERS

Pursuant to Waterford Point rules and regulations in reference to storage rooms:

The storage rooms are to be kept clean, free of litter and LOCKED at all times. DO NOT PLACE ANYTHING OUTSIDE YOUR STORAGE LOCKER OR, PURSUANT TO THE FIRE LAWS, IT WILL BE REMOVED.

It is imperative that all storage rooms are free of any storage items outside of your storage bins so that the fire alarm company can begin installing the new fire alarm system.

There will be an inspection of all storage units on April 27, 28 & 29 2011. Anything outside your storage locker will be removed and discarded. Please tag all bikes with your unit number on it.
