

WATERFORD POINT CONDOMINIUM ASSOCIATION  
DOCK COMMITTEE MEETING  
TUESDAY, MARCH 24, 2009

President Stan Mikulski called the meeting to order at 7:30 pm. He requested that all dock renters provide updated boat registration and insurance. Approximately 11 unit owners were in attendance.

Burt Dubois spoke regarding the details of the proposed dock construction. Questions/suggestions from the audience were discussed and answered.

1. We are waiting on permits from Pompano before constructions begins.
2. The deck will be built from specially treated tropical decking material. There is a 50 year guarantee on the material.
3. 700 feet of dock will be replaced including the black rubber rails. The entire project should be completed in 3 weeks.
4. Notification of procedure for moving the boats, whips etc will be announced later.
5. The Committee recommended that the Board approve the repair/replacement of the docks. Funds to come from dock reserve.

Respectfully submitted by Jane Fehner.
